GM General McLane School District

Principal Act 48 Hours Completion Form

In order for Act 48 hours to be awarded for cohort, the STATE OF PA REQUIRES that:

1) the activity be focused on helping teachers **learn** to do something new that will help them better meet the needs of their students (the activity must be based on student needs)
2) teachers **learn** something new that will translate into higher achievement for their students or lead to sustained school improvement
3) teachers **learn** something new that is related to one of the domains in the Danielson Model
4) teachers **learn** new skills that they can later put in place to increase student learning. teachers **cannot** simply be doing something that benefits students
5) teachers **must** complete an assessment of learning and reflection on their Act 48 activities

Building: _____

Year:_____
