

## SUGGESTED STANDARDIZED TESTING TIMELINE:

### 11th Grade

October - Take PSAT - ALL college-bound juniors should plan on taking this exam.

December, January, March, May, or June: SAT Reasoning Test

December, February April, or June: ACT

SAT and/or ACT - College-bound juniors should take two tests, an SAT and an ACT during the second semester of 11th grade. Students may need to test in the early months of second semester so that you receive your scores in a timely fashion and are able to make a decision on future standardized testing. Students may want to take either the SAT or the ACT a second time during your junior year or early in your senior year in an effort to improve your scores.

May or June - SAT Subject Tests - *If required by the college of your choice.*

**\*\* Students interested in PSU, Main campus-- Please remember that the priority deadline for completed applications and testing is November 30th.**

### 12th Grade

\*September, October, December: ACT

\*October, November, December: SAT Reasoning Test

October, November, December - SAT Subject Tests

*\*These tests are offered for those students who want to improve their score on a retake or for late test takers - Sometimes colleges & universities will request that you retake a test.*
