

# **ANNUAL PUBLIC NOTICE OF SPECIAL EDUCATION SERVICES & PROGRAMS, SERVICES FOR GIFTED STUDENTS, & SERVICES FOR PROTECTED HANDICAPPED STUDENTS**

## **Notice to Parents**

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district is required regarding child find responsibilities. General McLane School District is required to conduct child find activities for children who may be eligible for services via Section 504 of the Rehabilitation Act of 1973. For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitled Implementation of Chapter 15. Also, General McLane is required to conduct child find activities for children who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, the parent may refer to 22 PA Code Chapter 16. If a student is both gifted and eligible for Special Education, the procedure in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the General McLane School District of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. In addition to this public notice, General McLane School District shall publish written information in the handbook and on the website. Children ages 3-21 can be eligible for special education programs and services.

If parents believe that their child may be eligible for special education, the parent should contact General McLane and the Director of Special Education, Mr. Michael Cannata. Children age three through the age of admission to first grade are also eligible if they have developmental delays and, as a result, need special education and related services. Developmental delay is defined as a child who is less than the age of beginners and at least three years of age and is considered to have a developmental delay when one of the following exists: (i) The child's score, on a developmental assessment device, on an assessment instrument which yields a score in months, indicates that the child is delayed by 25 percent of the child's chronological age in one or more developmental areas, or (ii) The child is delayed in one or more of the developmental areas, as documented by test performance of 1.5 standard deviations below the mean on standardized tests. Developmental areas include cognitive, communicative, physical, social/emotional and self-help. (See Evaluation Process below for contact info.)

## **Evaluation Process**

General McLane School District has a procedure in place by which parents can request an evaluation. For information about procedures applicable to your child, contact the school, which your child attends. Parents of preschool age children, age three through five, may request an evaluation in writing by addressing a letter to the Early Intervention Supervisor, NW Tri-County Intermediate Unit #5, 252 Waterford St., Edinboro, PA 16412 or call 1-800-677-5610, ext. 8461.

## **Consent**

School entities cannot proceed with an evaluation or reevaluation, or with the initial provision of special education and related services, without the written consent of the parents. For additional information related to consent, please refer to the Procedural Safeguards Notice which can be

found is the special education section of the General McLane website under Parent Information/Education ([Procedural Safeguards Notice - School Age](#)). Once written parental consent is obtained, General McLane School District will proceed with the evaluation process. If the parent disagrees with the evaluation, the parent can request an independent education evaluation at public expense. The procedure for Independent Evaluations is also found in the parent education section within the Special Education section of the website, [Procedure for Independent Evaluation](#).

## **Program Development**

Once the evaluation process is completed, a team of qualified professionals and the parents determine whether the child is eligible. If the child is eligible, the individualized education program (IEP) team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, General McLane School District will issue a notice of recommended educational placement/prior written notice. Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

## **Confidentiality of Information**

General McLane School District maintains records concerning all children enrolled in the school, including students with disabilities. All records are maintained in the strictest confidentiality. Your consent, or consent of an eligible child who has reached the age of majority under State law, must be obtained before personally identifiable information is released, except as permitted under the Family Education Rights and Privacy Act (FERPA).
