

General McLane School District presents:

SCHOOL SAFETY

Planning & Preparation for Parents

José Montes, General McLane School Resource Officer

Tuesday, September 25, 2018 | 6:30 p.m.

General McLane High School Auditorium

Free and open to General McLane parents

Join José as he reviews General McLane School District's school safety planning and preparation initiatives, including: a reunification process, ALICE training and the District's accountability tools. This night is meant to give parents a basic understanding of what the District is doing to keep students safe and procedures in cases of emergencies.
