

GMHS Class of 2020 Commencement

Sunset Drive-In
June 4, 2020 9:00 p.m.

General McLane High School is fortunate to have the opportunity to present the first screening of the commencement exercises for the General McLane Class of 2020 at the Sunset Drive-In. We are grateful to the owners, Mr. and Mrs. Dennis Koper, for this unique opportunity.

It is important for the General McLane School District and the owners of the drive-in that everyone comply with the rules and guidelines of the yellow phase of the pandemic, specifically:

1. Under the yellow phase, businesses are limited to 50% of their normal capacity. As such, there will only be enough space to allow **one car for each graduate**.
2. It is **required** that you RSVP if you plan to attend.
3. The Virtual Commencement will be made available to everyone on June 5th for home viewing.
4. Vehicles will be permitted entry to the drive-in beginning at **8:45 p.m.**
5. When arriving at the drive-in, faculty marshals will direct you where to park. It is important that you follow their instructions so that social distance between vehicles is maintained. **Large vehicles will be parked in the back. Please use common courtesy. Trailers, RV's, Limousines, party busses, monster trucks, or any other large-capacity vehicles not named here but deemed to fit this description will not be permitted entry.**
6. We ask that everyone stay inside their vehicle. The restrooms are limited to one person at a time. We will have attendants monitoring the restroom lines and granting access.
7. Anyone outside their vehicle **MUST** wear a mask. Persons who do not comply with social distancing or mask requirements will be asked to leave the premises.
8. No concessions will be available.
9. Commencement is typically a time for handshakes, hugs and celebration. Our unique circumstances obviously prevent this. Persons who choose not to comply with social distancing or mask requirements will be asked to leave the premises.
10. Failure to comply with any of the rules/guidelines above will result in eviction from the premises.

By submitting my RSVP, I acknowledge that I have read, understand and will comply with the requirements, guidelines and rules of attending the General McLane Commencement viewing at the Sunset Drive-In on June 4th, 2020. Although this takes place off campus, this is a General McLane High School event. It is our expectation that you understand, acknowledge, and will comply with General McLane School District Board Policy, rules and regulations.
