The General McLane Golf Boosters would like to thank you in advance for your support as we are called to fund the GM Golf Program in it's entirety. With budget challenges in our public school systems growing more dire every year, it is falling on families to fund varsity athletic teams. We are hopeful that our community of family, friends, and local businesses will assist us in our mission to preserve competitive, athletic participation by our GM student golfers. We are mindful of the effects Covid-19 has had on the financial well-being of our community, including our local businesses. We want you to know that any amount of support you are able to provide is very gratefully received. If you are unable to assist us this year with your financial sponsorship, please know that we remain appreciative for your place in our community and look forward to partnering with you again when your budget allows.

As an unfunded varsity sport, the GM golf program is fully supported by the GM Golf Boosters. Fundraising by boosters pays for the following: the golf coach's salary, greens fees for the team's season, golf shirts for team uniforms, and extra tournament play above and beyond regular matches.

As a sponsor of the GM Golf Program, you will be helping to promote involvement in activity for our student-athletes that will empower them with lessons in sportsmanship, self-discipline, self-esteem, and pride in themselves and in their community. The General McLane Golf Program promotes leadership, civic activities, education, and community awareness.

Many Thanks for your generous contributions,

Shelly Boutte, President (719)-661-5681, Wendy Eichenlaub, Treasurer (814)-392-1177
