

**STATEMENT FROM GENERAL MCLANE SCHOOL DISTRICT**

From General McLane School District Superintendent Richard Scaletta

November 4, 2020

“I wanted to let you know that we have our first positive case with a teacher. This is an elementary teacher who fortunately teaches only online students, so no students are close contacts. There is just one other teacher who is a close contact and will be in quarantine.

All other close contacts in this case have been identified as a result of interactions outside of school and have been placed in quarantine.”
