

2021 Prom/Covid-19 Consent Form

General McLane School District is very excited and proud to present the 2021 prom at Whispering Trees Manor on Friday, May 14, from 6-10pm. All Senior students and their guests are invited to attend this beautiful and local outdoor venue. We are working hard to provide a meaningful and safe experience for your student. School staff will make reasonable best efforts to minimize the risk of Covid-19, however; attending prom will introduce students to a greater risk of exposure. In order to decrease chances of Covid-19 infection, the following precautions will be in place:

- All students will be screened for symptoms prior to entering prom.
- **Masks are mandatory.** The only exception is when in the snack area appropriately spaced apart and monitored by our staff.
- Students who do not follow the mask policy will be asked to leave.

Vaccination is now widely available for those 16 and over. Parents are encouraged to have their students vaccinated prior to attending prom to greatly decrease the risk of transmission should they be exposed. Please see General McLane's website for locations for available vaccine.

Attendance at the prom is voluntary. By signing this form, parents of attendees agree to:

- Accept the risk and responsibility of possible transmission of Covid-19 to their child by attending prom.
- Screen their student for Covid symptoms prior to attending the prom. Students should not attend if they or a member of their household is ill with covid symptoms.
- Notify Kristen Donnelly, Assistant Pandemic Coordinator, should symptoms of Covid-19 occur in the 14 days following the event so contact tracing can quickly occur.

I, _____, choose to allow my student to attend prom; I understand the risk of infection related to the ongoing Covid-19 pandemic. I will not hold General McLane responsible should illness occur.
