Broadway Under the Stars

May 26-27 , 2021

at General McLane High School

Reservation Order Form

This year, as we all know, has been so very different and so is this year's presentation of our Broadway Dinner. In order to comply with COVID recommendations, we will be doing a LIVE open air performance on Wednesday and Thursday evenings, May 26 and 27. Masks will be required and groups will be seated 6 feet apart. As this will be such a unique performance, we will not be serving the traditional meal, rather we will have food trucks on site from which you may purchase your own meals. IT will be an BYOC event... bring your own chair! Food trucks will be available at 7:00 PM, GM Jazz will be performing beginning around 7:00 and the show will start around 8:45 (sundown).

We are asking for a donation of \$10 per adult seat to help defray costs for costuming, lighting and miscellaneous costs of the production. General McLane students are free.
