

# Back-To-School Transportation

2021-2022

## What we need from you:

We need **ALL** GMSD families to complete the Transportation Bus Routing Request Form for the 21-22 year. Even if you do not need school bus transportation, we ask you complete a form.

Thank you to those parents that have already filled this form out. You do not need to fill out another form.

## That form is available here.

---

If both parents live in the district, but live at different locations, children may have one variation from home pick-up or drop-off.

That form is available here.

---

**What if we have  
a custody  
agreement?**

**Can my child  
be dropped off  
or picked up at  
daycare?**

Yes. We ask that any type of request is submitted by using the Bus Routing Request Form mentioned above.

**REMINDER:** We can only accommodate 1 pick-up location and 1-drop-off location daily.

# Back-To-School Transportation

2021-2022

## **Will things "return to normal" on GMSD school buses for 21-22?**

As of now, all seats on the bus will be utilized with some students sitting 3 to a seat. All drivers are responsible for assigning seats. Students are still required to wear masks while riding the bus due to current federal mandates.

## **Why do I need to fill out the form when I'm transporting my student and/or my circumstances have not changed since 19-20?**

Because 2020-2021 was such an unconventional year, we are starting our bus routes from scratch. We need to make sure every single student is accounted for and that we have information for each student, whether they are requiring school bus transportation or not.

## **Is there a deadline for the Bus Routing Request form?**

We ask all families to fill this out **as soon as they can**, with the deadline August 2, 2021.
