

GENERAL MCLANE SCHOOL DISTRICT

TEMPORARY REMOTE INSTRUCTION PLAN

In the event that a school is required to close due to COVID-19, the following plan will be utilized to notify families and facilitate continuity of instruction until a return to in-person learning is permitted.

NOTIFICATION OF FAMILIES

Dr. Lane will notify impacted families as soon as possible. That notification will occur through Power School, the GM website, district social media platforms, and the local news.

IT IS VERY IMPORTANT THAT FAMILIES HAVE A PLAN IN PLACE IN CASE A BUILDING IS REQUIRED TO CLOSE WITH LIMITED NOTICE.

CONTINUITY OF EDUCATION

Each building will operate on a set schedule. That schedule includes synchronous (live) instruction at specific times during the school day. Participation in those synchronous sessions is required and failure to join may result in your child being marked absent that day. The schedule also includes times when your child will be required to work asynchronously (on his/her own). Instruction will be facilitated through Schoology or Seesaw.

It is important that students complete class assignments on time as indicated by teachers. Also, materials required for learning at home may be picked up by scheduling a time with the building administration.

If you do not have internet access at home and you're unable to coordinate with someone who does, please notify the building administration and additional technology accommodations will be provided as feasible.

ADDITIONAL INFORMATION

- At the time of the temporary closure announcement, additional information regarding access to meals will be provided.
- Athletics, clubs, and activities in the impacted school will be cancelled until in-person learning resumes.
