

GENERAL MCLANE SCHOOL DISTRICT

REMOTE LEARNING SCHEDULES

These schedules will be used in each building if the closure of the school is required by the Erie County Department of Health working in collaboration with the General McLane School District pandemic leadership team. Each schedule is modified from the in-person schedule to provide set times when teachers will meet with the whole class synchronously, as well as specific times when teachers are available to meet with individual and small groups of students.

GENERAL MCLANE HIGH SCHOOL
