

Alert Call: Grade 12

Good evening parents of seniors. This is Dan Mennow, principal at General McLane High School. I'm calling this evening with some reminders for the week.

Well it is officially the month of May and graduation is a little over a month away. There will be a lot of activity for seniors and senior parents in the coming weeks. I'll be making calls like this home to provide reminders but don't forget to look at the Class of 2022 page that is accessible through the high school page on the GM website. There is a lot of information included there for reference.

This week I have four reminders for you. First, tomorrow is the senior sign delivery day. During the day and into the evening, faculty and administration will be delivering the graduation yard signs to each of this year's seniors. This tradition started with the class of 2020, and we are happy to continue it. The signs will be placed in the yard nearest the road. Obviously, you can decide where to locate it permanently.

Second, don't forget to pay the graduation fee of 35 dollars to Sarah Webb sometime soon. If you have already paid, thank you. If not, please put that on your radar this week. As always, if there is a burden making that payment, please let me know and we would be happy to cover the expense. Just a reminder that the graduation fee covers the expense of the cap and gown and other miscellaneous senior fees.

Third, we have been posting senior intentions to social media, but many seniors have not yet let the guidance counselors know their intentions for post graduation plans. We love to celebrate the next step for our seniors. Ask your son or daughter if they have done this. If not, they can stop down to talk with the counselors or simply send them a Schoology message.

Finally, although it is not just for seniors, our prom will be held this Saturday, May 7th at the Boston Store.

I will be making a series of calls over the next few weeks to keep you informed. In the mean time, please don't hesitate to call or email if you need anything.

Thanks, and have a great evening and week everyone.
