### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

#### Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- 1. Expect to work only part of the year;
- 2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

### Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

#### Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

# - What To Do If You Are Injured At Work

As soon as practical, report the incident to your supervisor, Human Resources or your employer's Worker's Compensation Coordinator so they can report it to our office, even if you don't think you need medical treatment.

 Make sure your employer has your up-to-date contact information, including phone numbers, home address and personal email.

Your employer will file your claim electronically with CM Regent, who will assign a Claim Representative to work with you going forward.

- If you require medical treatment, your employer will give you a copy of your Injury Report that
  will include your confirmation/claim number. To avoid delays, take the Injury Report with you to
  your initial doctor's appointment.
- When seeking medical attention for a work-related injury occurring after hours, tell the medical provider that yours is a Workers' Compensation injury. Remember to report the incident to your employer the next business day.

Your employer should give you a copy of your Provider Panel.

 A Provider Panel is a list of medical providers you may see for the first 90 days following a work-related injury. You must sign a form acknowledging you received the Provider Panel information.

PLEASE NOTE: If immediate emergency care is needed, go to the nearest emergency room for the initial visit. Follow-up visits should then be scheduled with a medical provider on the Provider Panel.

Write down questions you may have for your medical provider and take them with you on your first visit.

 Communicate any concerns about your treatment to your medical provider and to your CM Regent Claim Representative.

The following services should be scheduled through the providers listed during the first 90 days of a claim.

- PT/OT, MRI, CT, EMG, Home Health, DME S1 Medical (888-945-5055)
- Prescriptions Corvel (800-563-8438)

Continued...

- You can expect contact from your Claim Representative between 8 a.m. and 4:30 p.m. to discuss your injury and if applicable, a treatment strategy.
- Watch your mail for paperwork you will need to fill out immediately and return to our office
  or give to your medical provider. A self-addressed stamped envelope will be included for the
  materials that are to be sent back to CM Regent.
- You will receive a pharmacy card once your claim has been accepted and Workers'
   Compensation benefits are approved. Use this card to purchase all medications prescribed by your medical provider.
- Call your Claim Representative after every doctor appointment to relay the most current medical and return-to-work information.

CM Regent wants to help get you back to your pre-accident condition as quickly as possible. If you have any questions or concerns, please do not hesitate to call our office at 1-844-480-0709.

### REMEMBER, IT IS IMPORTANT TO TELL YOUR EMPLOYER ABOUT YOUR WORK INJURY.

- If you suffer a work-related injury, your employer or its insurance company must pay for reasonable surgical and medical services and supplies, orthopedic appliances and prosthesis, including training in their use.
- In order to insure that your medical treatment will be paid for by your employer or the insurance company, you must select from one of the
  following health care providers. You must continue to visit one of the providers listed below, if you need treatment, for ninety (90) days
  from the date of your first visit.
- 3. If one of the providers below refers you to another licensed specialist, your employer or their insurer will pay the bill for these services.
- 4. After this ninety- (90) day period, if you still need treatment and your employer has provided a list as set forth below, you may choose to go to another health care provider for treatment. You should notify your employer of this action within five days of your visit to said provider.
- 5. If a physician on the list prescribes invasive surgery, you may obtain a second opinion from any physician of your choice. If the second opinion is different than the listed physician's opinion, you may determine which course of treatment to follow; however, the second opinion must contain a specific and detailed treatment plan. If you choose the second opinion, the procedures in that opinion must be performed by one of the physicians on the list for the first ninety- (90) days. Therefore, in this situation, the employee may be required to treat with an employer designated provider for up to 180 days.
- If you are faced with a medical emergency, you may secure assistance from a hospital, physician, or health care provider of your choice for your work related injury. However, when the emergency is resolved, you must seek treatment from a provider listed below.

#### RIGHTS AND DUTIES FORM - SIDE 1

# NOTIFICATION TO EMPLOYEES OF THEIR RIGHTS AND DUTIES UNDER SECTION 306 (f.1)(1)(i) OF THE PA. WORKERS' COMPENSATION ACT

The Pennsylvania Workers' Compensation Act requires that employees be given written notification of their rights and duties under Sec. 306 (f.1)(1)(i) of the Act if a list of designated health care providers is established by the employer. Below are your rights and duties under Sec. 306 (f.1)(1)(i) and an acknowledgment signature line. This acknowledgment, signed by you, is to be returned to your employer.

A brief summary: You have the right to seek <u>emergency</u> medical treatment from any provider; for post-emergency and other injuries, you must obtain treatment for work-related injuries and illnesses from a designated health care provider for 90 days. The penalty for not using a designated health care provider is that your employer is not liable for the medical bills incurred.

As an employee of the Commonwealth working at a location where a list of designated health care providers has been established and posted, you have:

- The duty to obtain treatment for work-related injuries and illnesses from one or more of the designated health care providers for 90 days from the date of the first visit to a designated provider.
- The right to seek emergency medical treatment from any provider, but subsequent nonemergency treatment shall be by a designated provider for the remainder of the 90-day period.
- The right to have all reasonable medical supplies and treatment related to the injury paid for by your employer as long as treatment is obtained from a designated provider during the 90day period.
- The right, during this 90-day period, to switch from one designated health care provider to another designated provider.
- The right to seek treatment from a provider if you are referred to that provider by a designated provider.
- The right to an additional opinion from a provider of your choice when invasive surgery is prescribed by the designated provider.
- The right to seek treatment or medical consultation from a non designated provider during the 90-day period, but the services shall be <u>at your expense</u> for the applicable 90 days.
- The right to seek treatment from any health care provider after the 90-day period has ended.
- The duty to notify your employer of treatment by a non designated provider (after the 90 day period) within 5 days of the first visit to that provider. The employer may not be required to pay for treatment rendered by a non designated provider prior to receiving this notification.

I acknowledge that I have been informed of my rights and duties under Sec. 306 (f.1)(1)(i) and that I understand them

	to the extent that they are explained above

# PENNSYLVANIA WORKERS' COMPENSATION ACT SECTION 306 (f.1)(1)(i)

The employer shall provide payment in accordance with this section for reasonable surgical and medical services, services rendered by physicians or other health care providers, including an additional opinion when invasive surgery may be necessary, medicines and supplies, as and when needed. Provided an employer establishes a list of at least six designated health care providers, no more than four of whom may be a coordinated care organization and no fewer than three of whom shall be physicians, the employee shall be required to visit one of the physicians or other health care providers so designated and shall continue to visit the same or another designated physician or health care provider for a period of ninety (90) days from the date of the first visit: provided, however, that the employer shall not include on the list a physician or other health care provider who is employed, owned or controlled by the employer or the employer's insurer unless employment, ownership or control is disclosed on the list. Should invasive surgery for an employee be prescribed by a physician or other health care provider so designated by the employer, the employee shall be permitted to receive an additional opinion from any health care provider of the employee's own choice. If the additional opinion differs from the opinion provided by the physician or health care provider so designated by the employer, the employee shall determine which course of treatment to follow: provided, that the second opinion provides a specific and detailed course of treatment. If the employee chooses to follow the procedures designated in the second opinion, such procedures shall be performed by one of the physicians or other health care providers so designated by the employer for a period of ninety (90) days from the date of the visit to the physician or other health care provider of the employee's own choice. Should the employee not comply with the foregoing, the employer will be relieved from liability for the payment for the services rendered during such applicable period. It shall be the duty of the employer to provide a clearly written notification of the employee's rights and duties under this section to the employee. The employer shall further ensure that the employee has been informed and that he understands these rights and duties. This duty shall be evidenced only by the employee's written acknowledgment of having been informed and having understood his rights and duties. Any failure of the employer to provide and evidence such notification shall relieve the employee from any notification duty owed, notwithstanding any provision of this act to the contrary, and the employer shall remain liable for all rendered treatment. Subsequent treatment may be provided by any health care provider of the employee's own choice. Any employee who, next following termination of the applicable period, is provided treatment from a nondesignated health care provider shall notify the employer within five (5) days of the first visit to said health care provider. Failure to so notify the employer will relieve the employer from liability for the payment for the services rendered prior to appropriate notice if such services are determined pursuant to paragraph (6) to have been unreasonable or unnecessary.
