March 5, 2025

Dear Parent/Guardian of a Future McKean Elementary Little Lancer,

We are preparing for the 2025-2026 school year, and we are beyond excited to have your child join our school as the newest members of our McKean Elementary family! I would like to invite you to the first event for our incoming kindergarten students, our informational registration night, scheduled for **Wednesday, April 9th** beginning at **6:30 PM** in the McKean Elementary School Cafeteria. Children who will be five (5) years of age on or prior to **June 1, 2025** are eligible for enrollment. No student will be entered as an early admission whose birthday falls after June 1.

This **parent only** event will begin promptly at 6:30 PM and will last approximately one hour. During this presentation, you will hear from McKean Elementary staff members including the principal, school nurse, counselor, interventionist, and our kindergarten teachers. The PTA will also be in attendance to share how they help our school and how you can get involved. Doors will open at 6:15 PM and light refreshments and snacks will be provided.

As part of this night, we will be completing the initial kindergarten registration process together. Our entire registration process is online. You will need to bring an electronic device (phone, tablet, computer) that can connect to Wi-Fi or a cellular network. You will also need to have an active email address you can access as part of the registration process.

Additionally, included with this letter are some **very important dates** to put on your calendar as we begin to introduce your child to kindergarten and our school. Attendance at each of these events will be critical in helping us learn more about your child to ensure that they are placed in the best classroom environment to help them learn, grow, and be successful. We will discuss more about these events at our informational registration night on April 9th.

I am so excited to begin our journey of working together and look forward to our next five years together as your child embarks on this next stage. Please do not hesitate to reach out to us at the school at (814) 273-1033 extension 4. If you have any friends or neighbors with kindergarten-age children that did not receive this information, please have them contact our office.

Thank you,

Sarah Palm
