February 23, 2026

Dear Parent/Guardian of a Future Edinboro Elementary Little Lancer,

We are busily preparing for the 2026-2027 school year and we are beyond excited to have your child join our school soon as the newest members of our Edinboro Elementary family!

I would like to invite you to the first event for our incoming Kindergarten students – our informational registration night, scheduled for **Wednesday, April 8th beginning at 6:30pm** in the Edinboro Elementary School Cafeteria. Children who will be five (5) years of age **on or prior to June 1, 2026** are eligible for enrollment. No student will be entered as an early admission whose birthday falls after June 1.

This event will begin promptly at 6:30pm and will last approximately one hour. **This event will be for parents only.** During this presentation, you will hear a variety of information from each individual that will be involved with your child as they enter Edinboro Elementary in the fall: myself, our nurse, school counselor, interventionists, and most importantly, our kindergarten teachers. Doors will open at 6:15pm.

As part of this night, we will be completing the initial Kindergarten Registration process together. Our entire registration process is completed online. You will need to bring an electronic device (phone, tablet, computer) that can connect to Wi-Fi or a cellular network. You will also need to have an active email address that can be used and accessed as part of the registration process.

Additionally, included with this letter are some **very important dates** to put on your calendar as we begin to introduce your child to kindergarten and our school. Attendance at each of these events will be critical in helping us learn more about your child to ensure that they are placed in the best classroom environment to help them learn, grow, and be successful. We will discuss more about these events at our informational registration night on April 8th.

If you are planning for your child to enroll in Kindergarten for the 2026-2027 school year, please complete a short form with your child's information by visiting <https://bit.ly/EEkinder25> or scan the QR code to the right to be taken to the form.

I am excited to begin our journey of working together and look forward to our next five years together as your child embarks on this next stage. Please do not hesitate to reach out to us at the school at (814) 273-1033 extension 3. If you have any friends with kindergarten age children that did not receive this information, please have them contact our office.

Thank you,

A handwritten signature in black ink, which appears to read 'Justin Whitford', is written below the 'Thank you,' text.
